

# SAVE THE DATE

May 31, 2019

**1<sup>st</sup> Inflammatory Bowel Diseases  
Central Eastern European  
Janssen Academy  
Hungary, Siófok (Hotel Azur)**

**Scientific Committee:**

**Tamas Molnar<sup>1</sup>, Anca Trifan<sup>2</sup>, Milan Lukáš<sup>3</sup>, Uri Kopylov<sup>4</sup>**

**Section I. Chairs: Tamas Molnár<sup>1</sup>, Anca Trifan<sup>2</sup>**

**Pathogenesis of IBD**

09:00 – 09:20 **Răzvan Iacob<sup>2</sup>**, Liana Gheorghe<sup>2</sup>: IBD Epidemiology-  
real-life data from the National Registry; comparative data  
from Central-Eastern Europe

09:20 – 09:40 **Klaudia Farkas<sup>1</sup>**: Microbiome and IBD. Role of fecal  
microbiota transplantation

**Diagnosis and differential diagnosis of IBD**

09:40 – 10:00 **Pál Miheller<sup>1</sup>**: IBD-unclassified

10:00 – 10:20 **Tatiana Jocic<sup>5</sup>**: Tuberculosis in IBD patients - diagnostic  
and therapeutic challenge

10:20 – 10:40 **Bogdan Busuioc<sup>2</sup>**: Endoscopic scores in IBD and why  
they are important

10:40 -11:00 **Zuzanna Zelinková<sup>6</sup>**: Assessing small bowel Crohn's  
disease activity - enteroscopy, cross-sectional imaging or both?

**Speaker from: <sup>1</sup>:Hungary; <sup>2</sup>:Romania; <sup>3</sup>:Czech Republic; <sup>4</sup>:Israel; <sup>5</sup>:Serbia; <sup>6</sup>:Slovakia; <sup>7</sup>:Slovenia.**

11:00 – 11:10. **Oana Petrea<sup>2</sup>**: Peculiar extraintestinal manifestation in ulcerative colitis (case report)

11:10 – 11:30. **Questions and discussion**

11:30 – 12:00 BREAK

## **Section II. - Chairs: Milan Lukáš<sup>3</sup>, Pal Miheller<sup>1</sup>**

### **Anti-TNF therapy for IBD**

12:00 – 12:20. **Karoly Palatka<sup>1</sup>**: Potential and limit of conservative therapy

12:20 – 12:40 **Martin Bortlík<sup>3</sup>**: Data from nationwide registry of Czech IBD patients on biological therapy

12:40 – 13:00 **David Drobne<sup>7</sup>**: Therapeutic drug monitoring of biologics in real life clinical settings: our experience

13:00 – 13:20 **Gregor Novak<sup>7</sup>**: Controversies in acute severe ulcerative colitis: our experience with high dose infliximab rescue therapy

13:20 – 13:30 **Jurij Hanžel<sup>7</sup>** How much infliximab during pregnancy is too much? A word of caution (case report)

13:30 – 14:00 **Questions and discussion**

14:00 – 15:00 LUNCH BREAK

## **Section III. Chairs: Martin Botlik<sup>3</sup>, Karoly Palatka<sup>1</sup>**

### **New biologicals and small molecules for IBD**

15:00 – 15:20 **Uri Kopylov<sup>4</sup>**: Efficacy of vedolizumab in anti-TNF naive patients

15:20 – 15:40 **Milan Lukáš<sup>3</sup>**: Ustekinumab in Crohn's disease. RWE and local experience from clinical practices

15:40 – 16:00 **David Drobne<sup>7</sup>**: How the real life experiences with ustekinumab in naive and experienced patients coincide with the clinical data (potential drug monitoring preliminary data)

16:00 – 16:20 **Peter Lakatos<sup>1</sup>**: *Novel treatment options p19 inhibitors, Jak inhibitors and S1P1 antagonists: better and safer?*

16:20 – 16:40 **Questions and discussion**

16:40 – 17:00 BREAK

#### **Section IV. Chairs: Uri Kopylov<sup>4</sup>, Peter Lakatos<sup>1</sup>**

##### **IBD: consequences and complications**

17:00 – 17:20 **Laura Gombošová<sup>6</sup>**, *Zakuciová M, Veseliny E, Zapotocka J. Individual nutritional management in patients with severe Crohn´s disease - focusing to parenteral nutrition at home. Cases.*

17:20 – 17:40 **Aleksandra Sokic Milutinovic<sup>5</sup>**: *Pregnancy and fertility related knowledge in IBD: can we play better?*

17:40 – 18:00 **Dana Ďuricová<sup>3</sup>**: *Biological therapy of Crohn´s disease in pregnant woman. Therapy impact on pregnancy outcomes and exposed newborns*

18:00 – 18:20 **Georgiana Gilca-Blanariu<sup>2</sup>**, *Anca Trifan - Extraintestinal manifestations- still a challenge in managing IBD patients*

18:20 – 18:40 **Tamas Molnar<sup>1</sup>**. *Malignancies and IBD*

18:40 – 18:50 **Anna Fabian<sup>1</sup>**: *UC and CRC: the consequences of a bad decision (case report)*

18:50 – 19:10 **Questions and discussion**

#### **20:30. Farewell Diner**

##### **Janssen-Cilag Kft.**
